Dear Mr. Diaz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 477037.

The Hays County Sheriff's Office (the "sheriff's office") received a request for the police report pertaining to a specified case. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note the submitted information involves an alleged violation of section 32.51 of the Penal Code, which provides that "[a] person commits an offense if the person, with the intent to harm or defraud another, obtains, possesses, transfers, or uses an item of . . . identifying information of another person without the other person's consent[.]" Penal Code § 32.51(b)(1). For purposes of section 32.51, "identifying information" includes an individual's name and financial institution account number. *Id.* § 32.51(a)(1)(A), (C). Article 2.29 of the Code of Criminal Procedure pertains to alleged violations of section 32.51 that occurred on or after September 1, 2005 and provides:

(a) A peace officer to whom an alleged violation of Section 32.51, Penal Code, is reported shall make a written report to the law enforcement agency that employs the peace officer that includes the following information:

- (1) the name of the victim;
- (2) the name of the suspect, if known;
- (3) the type of identifying information obtained, possessed, transferred, or used in violation of Section 32.51, Penal Code; and
- (4) the results of any investigation.

(b) On the victim's request, the law enforcement agency shall provide the report created under Subsection (a) to the victim. In providing the report, the law enforcement agency shall redact any otherwise confidential information that is included in the report, other than the information described by Subsection (a).

Crim. Proc. Code art. 2.29. For purposes of article 2.29, an offense is committed on or after September 1, 2005 if no "element of the offense occurs before that date." Act of Jun. 17, 2005, 79th Leg., R.S., ch. 294, § 1(b), 2005 Tex. Gen. Laws 885.

In this instance, the submitted information pertains to a forgery which constitutes an alleged violation of section 32.51. We note the requestor is the victim of the alleged identity theft listed in the report, and the alleged offense occurred after September 1, 2005. Therefore, the submitted information is subject to article 2.29 of the Code of Criminal Procedure and must be released to the requestor, except to the extent it contains confidential information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. However, section 552.108 is a discretionary exception that does not make information confidential. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 586 (1991) (governmental body may waive section 552.108). Therefore, the submitted information may not be withheld under section 552.108 of the Government Code. As you raise no further exceptions, the submitted information must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
